Electric retractable projection screen.

Grand Piano

Grand Piano

Blue Curtains can cover the recess. The height to the curtain rail is  $3.4\text{m} = 10'$

$$3.89m = 12'9''$$

Continuous curtain track holding 2 x 3.8m wide blue curtains. The usual arrangement is for both curtains to cover the diagonal parts of the tracks. The central arc is not usually used.

Emergency  
Exit

Motorised blue curtains. The controls are backstage and in the lighting box

Ramped  
Entrance / Exit  
Must be kept clear

**Raked Seating**—9 rows x 12 seats with a central aisle plus a back row of 18 seats, totalling 126 seats. Additional seats may be placed in front of the raked seating but this will restrict the performance area.

The Technical box is situated behind the seating area and is only accessible from outside of the auditorium.

Exit (with steps)  
Must be kept clear

House Seats  
Plus access  
to the back  
row of the  
raked  
seating
